12-08-17

Well, we've had a pretty good year for holding meetings and a few activities. I've not done so well with getting newsletter out. I'd like to start by wishing everybody a Merry Christmas. A little early but probably my best opportunity to do so in case you can't make the next meeting.

**Meeting**

I was able to arrange for the use of our usual meeting room so we'll be having a meeting on Friday Dec. 15 at 7:00 P.M. At the Presque Isle District Library in Rogers City. It may seem a little early for annual business but that's only because that meeting has slipped into January for quite a while. Annual election of officers will be held unless somebody really needs the extra time to polish their campaign speech. In that case, we'll arrange to have another meeting in January for that purpose. A form is included at the end of the letter for those wishing to pay dues at this time. We'll be discussing some of our usual, familiar, topics. As always, we're open to interesting presentations of material you're working with. Let me know if any special arrangements for time or equipment are necessary.

**Field Day**

The last issue of QST published the 2017 standings and we ended up just above the middle of the pack in Class 1A. I don't know if we've ever finished that high before. By the time of the meeting I may have some additional information pertaining to our next effort.

**ARES/RACES & the FEMA IS- courses**

We'll touch on these programs and the connection with the FEMA IS- courses for those who might want or need a reminder on that material. For those who don't, I'll try not to belabor the issue.

See you there.

73,

Mike WB8TQZ
